Dear Sir:

The Bursar of the University, Mr. F. A. Nours,
is the person to whom the University subscriptions for
the British Red Cross will be paid in, and he will forward
them to you.

Yours very truly,

Major W. S. Dinnick,
British Red Cross Fund.

Dear Major Dinnick:

Let me congratulate you on the splendid showing that the British Red Cross Fund has already made.

As far as the University is concerned we shall not be able to get results until after to-morrow as the Professors have until to-morrow evening to send in their contributions. To-day I addressed the students and their campaign will continue until to-morrow evening. I fully believe that we shall have a generous response again this year, but we have to keep in mind that this year the attendance is very small.

Yours sincerely,

President.

Major W. S. Dinnick,

British Red Cross Campaign.

Dear Major Dinnick:

Will you kindly announce at the meeting that it is with great regret I shall be unable to be present owing to an important previous engagement?

I am glad to announce, however, that though our full returns are not in we shall have over \$3500 from the staff of the University and in the neighborhood of \$2000 from the students, in all nearly \$6000 from the University of Toronto.

I congratulate you on the success of this great movement.

I am,

Yours sincerely,

President.

Major Dinnick,

Patriotic Campaign, Nordheimer Building.

Dear Major Dinnick:

On Wednesday I was promised by your Secretary, who I think is Mr. Ray, that the subscription cards would be ready yesterday evening and that he would send me a supply. As they have not come and as it is necessary for me to get my letters out to-day I am sending you this letter, and will you please give Mr. Robert Martin, theearer, five hundred ?

Yours sincerely,

President.

Lt.-Colonel W. S. Dinnick,
Toronto.

Dear Colonel Dinnick:

Many thanks for your invitation to be present last Sunday afternoon. I had, however, another engagement that prevented my being present. I should judge from the papers that it was a very successful ceremonial.

Yours sincerely,

President.
